Dear _____,

Many thanks for requesting your kind donation.

This package contains **cure number 1**. Cure number 1 consists of **9 sweets (3 sets of 3 sweets)**.

To complete the cure you are required to take **3 cures in total**. This will consist of a total of **27 sweets**.

The cures are to be taken in a 9 day cycle.

Please note – cure number 2 and cure number 3 must be requested by phone or by appointment visit.

Please allow enough time to contact me so as not to break the 9 day cycle.

* If requesting a cure by post please allow more than 12 days

You may, if you wish, take more than 3 cures. This may be requested by phone or by appointment visit.

I have attached a simple guide to follow while taking your cure.

In some cases the condition may get worse before it gets better (in particular, some skin conditions). Please continue with any prescribed medication or cream and continue attending your G.P as this does not interfere with the cure in any way.

If you are unsure about any of the information above please do not hesitate to contact me.

Yours sincerely,

Olga Breslin
